All questions carry equal marks

(Write your Name and Roll No. on each page of your answer sheet.)

1. Write a letter to your cousin telling her how you have been managing your studies by attending online classes being conducted by your college. You can write about how easy it is to study while staying at home and at the same time write about the difficulties that you face. You can also mention how you miss attending regular college and the interaction you used to have with friends etc.
2. You are thinking of applying for the post of a salesgirl/salesboy in an upcoming showroom in a major market in your city. Prepare a bio-data giving all the relevant details.
3. Write two paragraphs on your favourite hobby.
4. You must have been given a farewell when you were in class XII In school. Write a paragraph about your experience. The following may help you in organizing your composition:
 - Who organized the farewell?
 - When was the function held?
 - How many people were there? What happened at the function?
 - Did you present any item, e.g. a song, a dance etc?
 - How did you feel at the time of parting?
